Prayer for A Friend With Cancer

Dear God, we lift up to you our dear friend who is battling cancer. We ask that you be with them in this difficult time, bringing them comfort, strength, and hope. We pray that you grant them the courage to face each day with faith and determination, and that you surround them with your love and presence. We ask that you guide their doctors and medical team as they provide treatment and care, giving them wisdom and knowledge to make the best decisions. We also pray for their family and loved ones, that they may find peace and comfort in the midst of this difficult time. Please wrap them in your loving arms and give them the strength they need to support their friend through this journey. We ask that you bring healing to our friend, that they may experience your miraculous power and be restored to full health. We trust in your plan, and we know that you are with us always. In Jesus' name, we pray, Amen.
