

Greetings!

On Sunday, August 13th, during a congregational meeting, members of the church voted in the affirmative to proceed to the next phase of the building project. Thank you to everyone who attended the meeting and participated in the discussion and vote.

What is next??

The next phase of the project includes fundraising and fine tuning the architectural aspects of the project. Two new committees will be formed, a fundraising committee and a building committee. If you feel called to be on one or both of these committees, please contact Pastor Jerry by August 25th as both of these new committees will need to be approved by the church council at the August 27th council meeting.

Fundraising information will be available as soon as possible after the new committee is formed but, in the meantime, if you would like to give to the project please feel free to do so. If you give by check please note on the memo line "Building Project". We would like to hit our fundraising goal as quickly as possible!

Our church has been blessed by the support of its members, so please prayerfully consider supporting this project. It will provide long overdue space for our music program, as well as much needed space for the children and youth programs – a space that is safe and welcoming and where all children in our community can learn about Jesus and spend time together.

If you have any questions please feel free to contact Pastor Jerry at (605) 321-0388, Cody Church at (605) 321-2877 or Sarah Woltzen at (605) 351-8228.

Sincerely,

Sarah Woltzen
